

2019 Alimentary Tract Module: Key References

Below you will find the topics and a selection of key accompanying references for the Alimentary Tract module of the General Surgery Continuous Certification Assessment. References that are available open source are indicated with a green star ★ and the entire citation is a link. References that are not available open access have a link in their PubMed ID to the abstract.

Diplomates are neither required nor expected to read all of these references before or during the completion of the assessment.

To view all references, see [this page](#) of the ABS website.

Achalasia

- ★ [Zaninotto G, et al. The 2018 ISDE achalasia guidelines. *Dis Esophagus*. 2018;31\(9\):1-27.](#) [PMID: 30169645]
