

# 2019 Core Surgery Module: Key References

Below you will find the topics and a selection of key accompanying references for the Core Surgery module of the General Surgery Continuous Certification Assessment. References that are available open source are indicated with a green star ★ and the entire citation is a link. References that are not available open access have a link in their PubMed ID to the abstract.

**Diplomates are neither required nor expected to read all of these references before or during the completion of the assessment.**

To view all references, see [this page](#) of the ABS website.

## Coagulopathy

- ★ [Wahlen BM, et al. World Academic Council of Emergency Medicine Experience Document: Implementation of point-of-care thromboelastography at an academic emergency and trauma center. \*J Emerg Trauma Shock.\* 2018 Oct-Dec;11\(4\):265-270. \[PMID: 30568368\]](#)
